

USING MODULES

GSI Caller School 2023

Shauna Kaaria

What is a Module?

A series of one or more calls that take the dancers from one known FASR state to another known FASR state.

Why Modules?

Using Modules

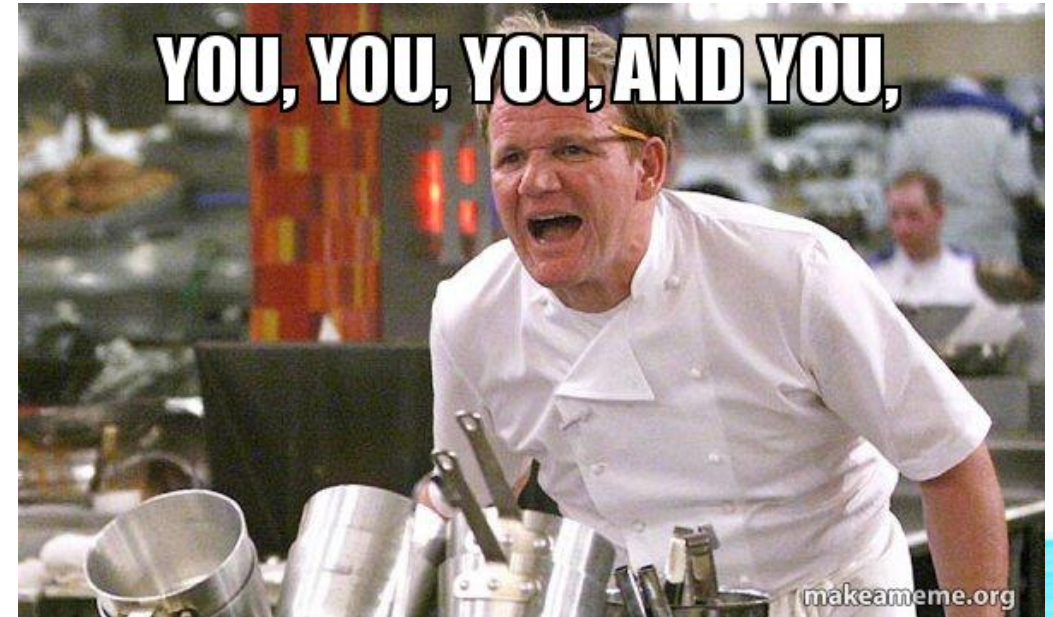

— Get Smart! —
Eliminate KAOS
Stay in
CONTROL

Who uses modules?

Callers who freely admit they do.

Callers who fib and say they don't.

Using Modules

When and Where should you use modules?

Guest tips

Convention tips

Pre-planned Get-Outs

**ANYTIME.
ANYWHERE.**

Summary

Using Modules

Using modules effectively requires homework and practice. Once you understand how to make them work for you will be in complete control....
